Mrs. Fenbee, of Tennessee
The stomach is such an easy organ to get out of order. One is troubled with it in the form of indigestion, another constipation, another heartburn, flatulency, etc. Mrs. Fenbee, of Cumberland Furnace, Tenn., suffered for seventeen years from sour stomach. Naturally she tried "everything," and she says nothing ever benefited her until she took Dr. Caldwell's Syrup Pepsin, and that cured her.

Mr. T. L. Beaman, Knoxville, Tenn.
Dear Sir:—In regard to your remedy, "Rheumatol," I will say that I used it with great satisfaction with our men at the Grant Tunnel in Kenton county, Ky.

I have used it on the men suffering with neuralgia, when the suffering seemed to be excruciating, and the result was almost instantaneous relief. And I used it on others that were suffering with rheumatism, when it seemed that they had almost lost the use of their limbs on account of the pain and in less than a day they would go to work and say that the pain had all gone. I have used it myself with good results and keep it on hand for my own use.

Yours truly,
KELLY & BRADY CO.

WILL LIVE IN JOHNSON CITY

J. W. Ring Comes Here at Once to be in Active Charge of Big Milling Plant He Has Erected.
J. W. Ring, who has been a resident of Bristol for six years, during which time he has been at the head of the business of the Twin City Mills, will move from here to Johnson City tomorrow. His wife and children will go to Pulaski, Va., to spend the holidays with relatives and friends, after which they will go to their new home in Johnson City. Mr. Ring has just completed one of the handsomest homes in Johnson City, which is located in what is known as the Carter addition, and which cost \$12,000. He and his family will begin housekeeping in the new building at the first of the year.

Mr. Ring's reason for locating in Johnson City is the fact that he has just completed a new flouring mill there at a cost of probably not less than \$100,000. He will be at the head of the business of the Model Flouring Company.

DIRE DISTRESS.

It is Near at Hand to Hundreds of Johnson City Readers.

Don't neglect an aching back. Backache is the kidney's cry for help. Neglect hurrying to their aid. Means that urinary troubles follow quickly.

Dire distress, diabetes, Bright's disease. Profit by a Johnson City citizen's experience. Joseph Archer, 127 King St., Johnson City, Tenn., says: "For some time I was laid up as a result of kidney complaint. I suffered so severely from pains across my loins that I could not sleep well. When I attempted to stoop or lift, sharp twinges darted through my loins and caused me great misery. There was also a kidney weakness that was especially annoying during the night. The kidney secretions were highly colored and contained a sediment. I finally saw Doan's Kidney Pills advertised and procured a box at the Grey-Sprowl Drug Co. I received a complete cure after using them a short time and I have not had a symptom of kidney trouble since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Taking Care of Yourself.

There never was a time when people paid as much attention to their health and strength as they do now. Time was when fine stock and fine horses were fed more carefully than human beings.

The result of properly balanced rations has worked wonders with stock and recent experiments are proving that the same thing is true of mankind.

It has been found that Quaker Scotch Oats eaten often and regularly taking the place of heavy, greasy foods will work wonders in the health and strength of a family.

School children fed frequently on Quaker Scotch Oats thrive physically and are always capable of the best work at school. For athletes, laborers, it is the best food.

For those who live in hot climates the hermetically sealed tins are best.
